SHOCK CASH / VALUABLES PROTECTION

Shock Briefcases

APPLICATION: Ideal for safe transportation and storage of cash, valuables and important documents.

The Briefcase offers an extremely effective, yet non-lethal 50,000 –volt shock as deterrent, which forces the criminal to let go of the briefcase. An ear-piercing siren is simultaneously triggered to attract unwanted attention. In one incident the thief fired three shots into the case out of frustration before fleeing empty handed.

Used by: Government Departments, Security Contracting Companies, Banks, Corporate/Private Businesses and jewelry industry.

Features include:

- Long range remote control activation, 50-100 metres.
- High voltage, non-lethal, safe yet effective shock all round briefcase as well as the handle.
- Ear-piercing siren (110-dB) to attract unwanted attention.
- Unique temporary safe, stand-by storage facility.
- Fully rechargeable complete with Ni-Cad battery and Charger.
- Tested and in use by South African Authorities.
- Detachable sealed electronic insert for easy maintenance.
- Stylish finishes looking like an ordinary briefcase. Customized cases and sizes available on request.
- Solid durable constructed cases covered in black leatherette and are also available in Genuine Leather, African Buffalo finish (Colours subject to availability)
